Maximize your uptime. Minimize your downtime.

Because the open road is often filled with unknown hazards, we offer optional QualityProtect Tire & Wheel Protection. In the event your tires or wheels are damaged due to road hazards such as metal, nails, glass, debris, or potholes, we will repair or replace them for up to seven years. Flats and wheel damage are covered too. In addition, Tire & Wheel Protection with Optional Cosmetic Coverage offers the added benefit of cosmetic repair, so your new vehicle can continue to look its best for years to come.

Tire & Wheel Protection benefits:

- Repair or replacement of a tire if structurally damaged due to a covered road hazard

- For replacement claims, a \$50 deductible will be applied per claim regardless of how many tires and/or wheels are being replaced at that time
- Approved costs associated with the repair or replacement of tires and/or the replacement of wheels, including labor charges, mounting, balancing, valve stems, and taxes¹
- Replacement OEM or aftermarket tires and wheels during your agreement term, if they meet the manufacturer's size specifications
